

RoHS and REACH Declaration of Conformity

Conformity RoHS

We hereby declare that to the best of our knowledge our products, transformers, coils and other inductive components comply with the "Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment", including all amendments to the RoHS Directive.

This means that any *homogenous material** of the product does not contain any of the six restricted substances in concentration values by weight above

Lead:	0,1 %	Hexavalent chromium:	0,1 %
Mercury:	0,1 %	Polybrominated biphenyls (PBB):	0,1 %
Cadmium:	0,01 %	Polybrominated diphenyl ethers (PBDE):	0,1 %

*: "homogeneous material" means one material of uniform composition throughout or a material, consisting of a combination of materials, that cannot be disjoined or separated into different materials by mechanical actions such as unscrewing, cutting, crushing, grinding and abrasive processes

Conformity REACH

Dantrafo A/S is a downstream user of chemicals. All chemicals are sourced inside EU/EEA. We hereby declare that to the best of our knowledge our products, transformers, coils and other inductive components comply with the "REGULATION (Ee) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)", including all amendments to the REACH Regulation. This statement is based on a review of ECHA list of substances released July 2017.

Therefore we expect no materials concerned to exceed the concentration of max. 0,1% (w/w).

You will be informed if Dantrafo A/S receives information that any product does not conform to this regulation.

Date / Signature

13 December 2017 /
